

(1)

Input : Respond to this review: The service was fantastic and the food was delicious!

Output : Thank you so much for your kind words about your recent experience with SteamNoodles. We're thrilled to hear that our service and food met your expectations. We appreciate your feedback and look forward to serving you again soon!

(2)

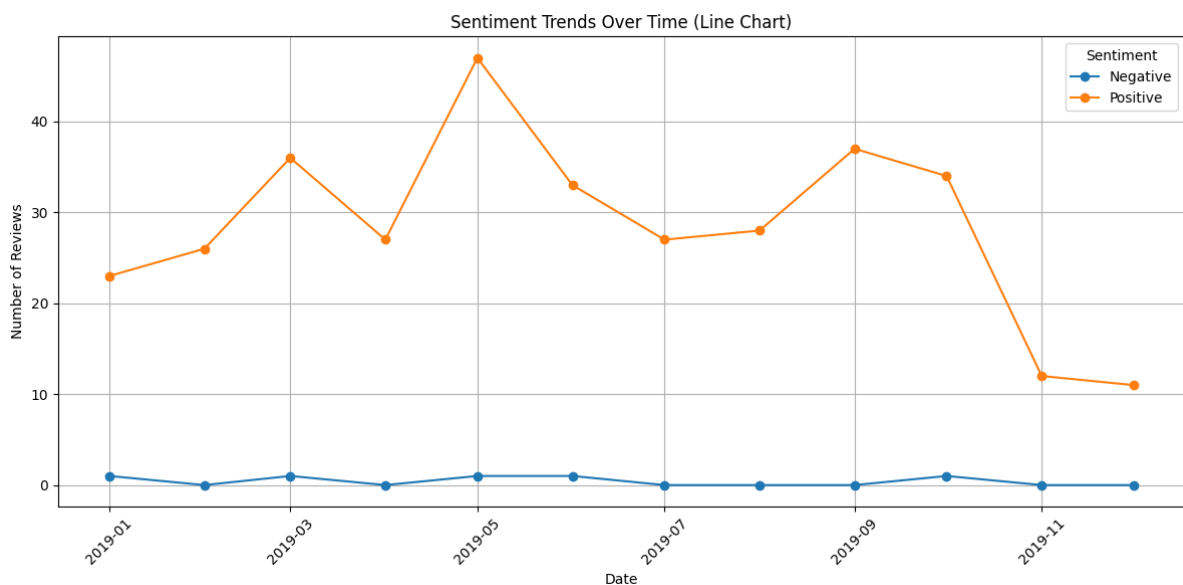

Input : Respond to this review: The food was cold and the waiter was very rude.

Output : Thank you for taking the time to share your feedback about your recent visit to SteamNoodles. We're truly sorry to hear that your experience didn't meet your expectations. The cold food and unpleasant service are not the standards we strive to provide, and we'll be addressing these issues with our kitchen and service team. If you'd like to discuss this further or make a complaint, please feel free to reach out to us directly. We're committed to making it right and look forward to serving you better in the future.

(3)

Input : Show me the sentiment trend for the year 2019.

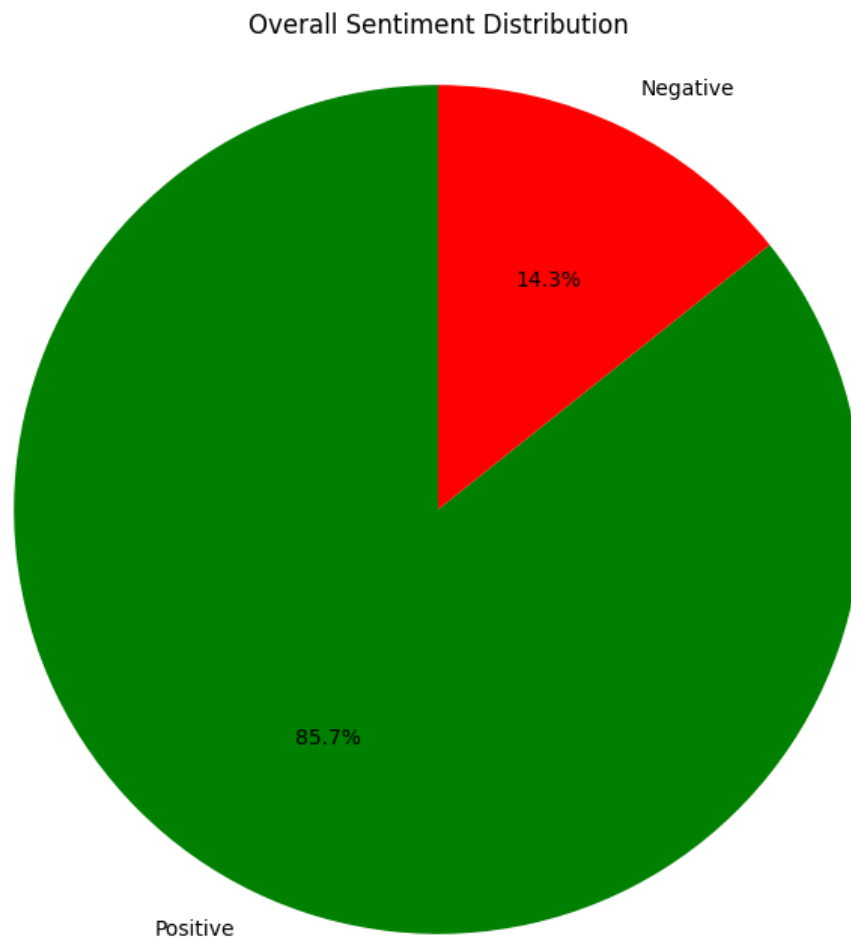

Output :

(4)

Input : What is the sentiment distribution for the third quarter of 2018?

Output :

(5)

Input : Create a report for the last half of 2018 and save it as well.

Output : The report is included in Demo Output folder.

(6)

Input : Generate a strategic recommendations report for the period from 2019-01-01 to 2019-06-30 and save it as a PDF.

Output : The report is included in Demo Output folder.
